

This technical drawing shows an exploded perspective view of a rectangular assembly. The main components are labeled as follows:

- 100**: Points to the entire assembly.
- 102**: Points to the top layer, which includes a sub-label **102A** for the front edge and **102B** for the side edge.
- 104**: Points to a rectangular frame or support structure.
- 106**: Points to a rectangular panel or insert.
- 108**: Points to a side rail or support.
- 110**: Points to a central longitudinal support or divider.
- 112**: Points to the front edge of the top layer.
- 114**: Points to the bottom layer or base.
- 122**: Points to a specific edge or corner of the top layer.
- 148**: Points to a small circular feature, possibly a hole or fastener, on the top layer.

The drawing illustrates the spatial relationship and assembly sequence of these components, showing how they fit together to form the final structure.

FIG. 2 is a perspective view of the device 100 in an exploded view showing the device 100 in an exploded view.
